

Gained Ten Pounds in Two Weeks

MR. J. B. COOPER.

Duffy's Pure Malt Whiskey

is an absolutely pure, gentle and invigorating stimulant and tonic, it builds up the nerve system, tones up the heart, gives power to the brain, strength and elasticity to the muscles and richness to the blood. It brings into action all the vital forces, it makes digestion perfect and enables you to get more from the food you eat than the amount it contains. It is invaluable for overworked men, delicate women and sickly children. It strengthens the system, is a promoter of good health and longevity makes the old young and keeps the young strong. Duffy's Pure Malt Whiskey is a form of food already digested. It contains no fuel oil and is the only whiskey that is recognized as a medicine. This is a guarantee.

Sold by all druggists and grocers, or direct, in sealed bottles only; never in bulk. Price \$1. Insist on the genuine, and see that the "Old Chemist" trade-mark is on the label. Beware of refilled bottles and spurious malt whiskey substitutes offered for sale by unreliable dealers. They are positively harmful and will not cure. Medical booklet and doctors advice free. Duffy Malt Whiskey Co., Rochester, N. Y.

Mr. J. B. Cooper of Scottsville, Ark., who wasted away from 180 pounds to 150 pounds in a few months, praises Duffy's Pure Malt Whiskey for restoring his health.

It required only two bottles to effect a cure and increase his weight 10 pounds, according to his own statement, written June 6, 1906, which follows:

"During my seventeen years as a salesman of general merchandise, I have lost about six months' time only recently, when I contracted a severe attack of bronchitis which made me feel as though I had consumption.

"I had been bothered with a slight cough for eight or nine months. I lost in weight, from 180 to 150 pounds. My doctor recommended Duffy's Pure Malt Whiskey as the best cure for consumption, so I decided to try it, and after using two bottles combined with rock candy, I gained ten pounds in two weeks.

"I certainly do all the doctor told me it would do, and is the most effective tonic and stimulant I have ever taken. The doctor had me under some of it for his patients, so you can see what he thinks of it."

Respectfully yours,
J. B. COOPER.

TWELVE MYSTERIOUS DEATHS REVEAL WEIRD RELIGIOUS SECT

BROTHERHOOD LEADERS, AND A GROUP OF CHARGES, ALL BUT TWO OF WHOM HAVE DIED SINCE PHOTOGRAPH WAS TAKEN.

Arboles, Colo., Nov. 4.—Because death lurks in the midst of a weird sect known as "The Brotherhood of Life," the state authorities are making an investigation that promises startling revelations.

Twelve orphan babies have died under mysterious circumstances within a year. Health Officers Sears recommends that child care agencies immediately take away from the brotherhood and that civil and criminal prosecutions be started.

The ranch on which the singular colony lives is in the midst of almost inaccessible mountains. Only Mexicans and half-breed Indians live in the country.

The men wear long hair, streaming over their shoulders. The women dress in neat gray gowns, with shawls over their heads, fastened at the forehead by ornaments of peculiar design.

"It is one of the teachings of Oshope that we care for orphans and bring them up properly, and free from sin," is the way they explain their peculiar actions.

The book of Oshope is said to have been revealed to a barber, and professes to give a history of the world and the heavenly ends for the past 24,000 years, together with a brief synopsis on the preceding 50,000 years.

"The Brotherhood of Light" was first established in Detroit and then the sect spread westward and located in Southern California.

Four years ago the camp near here was established by Trustee G. O. Stone, Mrs. Wheeler and Mr. and Mrs. B. D. Dott.

At the outset the children seemed to thrive in the wild and lonely atmosphere, but it was only temporary. The little foundlings were maintained on vegetables, even milk and eggs being refused them.

One by one the little children passed away. Their emaciated forms proved to be a living contradiction to the teachings of Oshope and buried back in the tomb of "The Brotherhood of Light."
